

Name: Chloe Cerwinka

Years at Penn: 3

Years at FRES: 3

Job title (and brief description of job duties):

Landscape Planner – Act as a steward of the campus landscape, through tree management, garden design, bicycle planning, ecological landscape management, research initiatives and community outreach.

Have you taken any classes, received a degree, or attended any lectures at

Penn? If so, please describe... I am working towards a Masters of Environmental Studies degree with a concentration in Environmental Biology.

Have any family members attended Penn (i.e. children, spouse)?

My dad, Allan Molotsky, attended Penn.

What is your proudest achievement, personal or while working at Penn?

In 2015 I received the Models of Excellence Award for my contributions integrating sustainability into campus planning at Penn.

What is your favorite building on campus?

The Furness Library.

What is your favorite Penn tradition, event, or memory?

Graduation.

Favorite place on campus to eat/drink? ...to shop? ...to sit quietly? ...to gather with friends/coworkers?

The BioPond.

What three words best describe yourself:

Creative, curious, and tall.

What is your best habit? ...or best hidden talent?

Parallel parking.

What is your most favorable characteristic or trait?

Empathy.

What talent or power would you most like to have?

Flying.

What are your favorite things to do in your free time, outside of work?

Gardening, softball, exploring, spending time in nature.

What is the best lesson you ever learned?

Don't be afraid to make mistakes.

What characteristic or trait do you most value in your colleagues?

A willingness to collaborate.

What is your motto, words to live by, or best advice?

"If you don't like something, change it. If you can't change it, change your attitude." – Maya Angelou
