

**Name:** Jennifer Wetzel

**Years at Penn:** 18

**Years at FRES:** 18

**Job title (and brief description of job duties):**

Director of Design & Construction. Along with my team of project managers I am in charge of design and construction projects on campus at the following schools and centers: DRIA, Wharton, Museum, Libraries, Provost, and VPUL.

**Have any family members attended Penn?**

My sister is a 1998 graduate.

**What is your proudest achievement, personal or while working at Penn?**

I'm proud of the many campus building projects I've worked on that were truly transformative to their occupants including Fagin Hall, Fisher Bennett, and the Singh Center for Nanotechnology. I'm also looking forward to the completion of the Museum Coxe/Harrison renovation and the Wharton Academic and Research Building.

**What is your favorite Penn tradition, event, or memory?** Commencement – I've volunteered as a Commencement Marshall for several years, you'll see me in full graduation garb at the end of the student procession. I love to see how happy and relaxed the graduates are and the looks of joy and pride on their families' faces.

**Favorite place on campus to eat/drink? ...to shop? ...to sit quietly? ...to gather with friends/coworkers?** CVS to make sure I have a constant supply of orange Tic Tacs. New Deck, Hummus, City Tap, Chem Café.

**What talent or power would you most like to have?** Jedi mind tricks.

**If you had an opportunity to shadow another FRES employee for a day, which department/job/person would you choose?** EVP Craig Carnaroli. I enjoy that my job brings me to multiple campus buildings to meet with representatives from multiple schools and departments every day – I'd like to get a feel for the range of people that Craig meets with and the decisions he has to make daily.
