Job title (and brief description of job duties):

Executive Director of Finance, Accounting and Analysis.

Have you taken any classes, received a degree, or attended any lectures at Penn? If so, please describe... I've attended a few but one that sticks out is a lecture from Michael Lewis (the author of Moneyball & The Big Short) with Adam Grant's

Authors@Wharton Speaker Series.

What is your favorite building on campus? The Palestra. It's my favorite place for Big Five basketball games.

What is your favorite Penn tradition, event, or memory? The Penn Relays and Move-In. After working Move-In for years, I finally got to be on the other end as a parent. That's when I truly understood how important it is for the families.

What are your favorite things to do in your free time, outside of work? Photography. I've been a photographer since I was a little kid and grew up in a darkroom.

What characteristic or trait do you most value in your colleagues? Integrity.
