

PennAccess: Parking Garage 30 – 119 South 38th Street

Entrance Information:

119 South 38th Street . Philadelphia . PA . 19104

1. There is an accessible entrance at the southeast corner of the garage. There is a guard's desk located in the entrance area. Elevators are located immediately to the left.
- The entrances to the southwest stairwell are inaccessible and are locked from the outside at all times.
 - The building could be entered through the car ramps (non-numbered arrows in the map above), but none of the ramps are near to the elevators, and all are sloped.
 - There are shops located on the first floor of this building. See Building Information for accessibility.

Elevator Information:

- There is a bank of two elevators located in the southeastern corner of the building at Entrance 1, which serves the parking garage. The retail shops on Walnut Street are one story only.

Accessible Restrooms:

- There are no restrooms in this parking garage.

Building Information:

- This building houses both a parking garage and retail shops on the first floor of the Walnut Street side. The shops are all accessible, with manual double doors. They do not provide access through to the garage; it can only be entered through Entrance 1.
- The vehicle entrance ramp located in the southeastern corner of the building is only open during selected hours. The other ramps are always open.

- Designated accessible parking spots are located close to the elevator on each floor. There are four parking spots on the second floor, and two each on floors three through seven.
