Entrance Information:

421 Curie Boulevard. Philadelphia. PA. 19104

1. The main entrance is located on the north side of the building. A ramp leads from the sidewalk level to the first floor. The accessible, automatic door is card-access only. Contact the onsite security person to let you into this building.
2. There is a level, accessible passage from the second floor of the Clinical Research Building.
3. There is a level, accessible passage from the second floor of Stellar-Chance Laboratories.
4. The exterior entrance to a cafe is located on the east side of the building. Once inside the cafe, there is a card-access only entrance into the main part of the building.
5. The entrance to the Penn Med Bookstore is located on the northeast side of the building. This entrance serves only the bookstore.
6. There is a card-access only entrance to the Biomedical Research 2 Building from the PCHCS Parking Garage.

- The eastern entrance to the Biomedical Research 2 Building is not accessible, because although there are no stairs, the door is narrow and spins automatically. A wheelchair could not pass through this door.

Elevator Information:

- There is a bank of four passenger elevators in the center of this building.

- There are two freight elevators in this building.

Accessible Restrooms:

- There are accessible restrooms on every floor of this building.

Building Information:

- All entrances to this building are card-access only. You will need to contact a security person to enter this building.
