

PennAccess: Walnut Street, 3815

Entrance Information:

3815 Walnut Street. Philadelphia. PA. 19104

- The entrance is accessible via a slightly ramped pathway, located to the west of the front concrete stairs (a total of 10 risers). The ramped pathway leads to a vertical lift, in the porch, that rises to the upper, first floor level of the porch and front door.
- The rear exits are locked. The exit on the first floor is used regularly and has exterior steps down. The exits in the basement are not regularly used and all have stairs to the basement.

Elevator Information:

- There are no elevators in this building.

Accessible Restrooms:

- There is one accessible unisex restroom on the first floor of this building.

Building Information:

- This building is partially accessible.
- Most areas of the building are faculty offices.
